AMS Bekins takes home national honor

Local moving company earns distinctive van line award for hauling household goods

Burlingame, CA —The homegoods moving sector in the United States was forecast for a [21.4% decline in 2020](#) during the COVID-19 pandemic, but **AMS Bekins** managed to keep its crews working and moving families throughout the year, ultimately earning the Bekins Van Lines Bronze Hauling Award for 2020.

Bekins Van Lines is the fourth largest household goods carrier in the United States, and AMS Bekins – alongside about 400 agencies nationwide – partners with the van line for all interstate moves. Bekins' hauling award program recognizes agencies within the network who transport the goods of customers moving into or out of California over the course of the year. The volume figures used for the various award levels are a summation of transportation revenues for those customers moved.

“Our industry boils down to having the people and the equipment to move customers' furniture and other goods from one home to another,” **said Mark Kirschner, CEO of Bekins Van Lines.** “We couldn't do what we do without local moving companies like AMS Bekins. We appreciate their hard work every year, but especially in 2020 with the many new challenges they overcame.”

AMS Bekins is one of just 13 Bekins agencies to achieve the Bronze Hauling Award in 2020.
